Thanks very much, [REDACTED]. And, you'll have all the help from us you want. If you guys end up wanting a CEOS attorney on the team, the assignment might be different than if we're just helping with motions and responses (which would be fine). So, for now, if you need anything or want to discuss the case just contact me and I'll make sure you get what you need. Of course, feel free to contact [REDACTED] directly if you think she can better assist you because of her background on a particular issue you've already discussed with her.

Thanks again.

Subject: Epstein

Hi [REDACTED] – I have attached a plea term sheet and the guideline calculation that was given to Mr. Epstein's attorneys on July 31st. [REDACTED] letter of August 2nd is sort of in response to that.

Several months ago when the pros memo was first sent to you, you mentioned adding a CEOS attorney to the team. We probably should wait until this attempt at plea negotiations is finished, but I hope to have a few motions/responses "in the bag" before I indict. [REDACTED]

[REDACTED] and I have spoken about the case a few times when I was doing research, and she has been wonderful, but if there is someone else that you think would be better, I am all up for the help.

Thank you.
