Hi [REDACTED]-- I know that you have missed not seeing me for the last 4 days, so I was hoping that you and [REDACTED] and I could meet about Leap Year. I would like to talk about traveling to New York and I was hoping we could make a group phone call to Vanity Fair. [REDACTED] like [REDACTED], seems to be e-mail-less, so could you figure out when we can get together? I also need to be fingerprinted for my 5-year background checkup, so I am happy to go to you or to FBI.

I am free all day tomorrow, so just let me know.

Thanks!
