Paul and Brad,

The government's replies to the victims' responses are due on December 15, 2011. The responses to the motion for remedies, and protective motion to compel, are due on December 22, 2011.

[REDACTED] will be on annual leave for the holidays at various times over the next two and one-half weeks, until the new year. Do you have any objection to the government seeking an enlargement of time, to respond to the four (4) documents filed on December 5, up to and including January 6, 2012? Thanks.
