In a little while, I will be filing Epstein's omnibus reply in support of his motion to intervene. It is one pleading, that replies to your response and to Cassell's response. It was better and more efficient to do one pleading. It will be 19 pages. Do you oppose a motion to file an overlong pleading? Cassell says he opposes anything longer than 15 pages.

Also, my reply to Cassell's response to the supplemental briefing filed by the would-be intervenor lawyers is due early next week. I will be filing a motion for an extension until October 31. Cassell has no objection. Can I say the govt has no objection either?

Thanks,

Jackie Perczek, Esq.
