I know that you normally do not go to the Palm Beach County Courthouse, but this is a bit of an emergency [REDACTED] need this for filing in one of our federal civil cases. I don't know whether the state court will charge to get the certified copies or what we will need to do to get the certified copies, but can you work with [REDACTED] to get this done?

The docket entries that we need are listed below. I will be in tomorrow, but I might be a bit late.

Thank you.

Subject: RE: Voluntary Production of Materials?

Attached are the two Palm Beach circuit court dockets. We need to get certified copies of the complaints in Case # 50-2008-CA-028051 (Docket Entries 1, 16, and 264) and Case # 50-2008-CA-028058 (Docket Entries 1, 23, and 221).

Do either of you have any idea how we can get that done quickly?
