For the highlighted item you need to contact HR.

I'm going to check what type of documentation is required from EOUSA for them to do the search on the mail server. I don't believe Shawn Ball was in the original Lit. Hold

Hi Jacquie – Several months ago, you and Damaris assisted in collecting email and other files related to the investigation and prosecution of Jeffrey Epstein in preparation for possible discovery requests from the Petitioners in the matter of Jane Doe #1 and Jane Doe #2 vs. United States. We have received an additional request that calls for materials beyond what we had originally discussed, so I am hoping that you can assist me in gathering this information.

Based upon the request, we need to obtain: (1) any emails sent by Bruce Reinhart while he was still an AUSA; (2) any emails sent by Bruce Reinhart after he left the U.S. Attorney's Office to any of the following members of

The relevant time period is 1/1/2006 through 12/31/2007.

Also, if you have available to you any documentation that would show the period when Mr. Reinhart was and was not a supervisor in the West Palm Beach office, that information also would be useful.

And if there are any electronic calendars for Mr. Reinhart or for these other individuals that show meetings/telephone contact with Mr. Reinhart, those should be produced.

Thank you so much for your assistance.
