Dear Ms. Villafaña,

As we have discussed, I am currently working on the appeal brought by defendant Jeffrey Epstein in which he challenges his risk-offender designation under New York State's Sexual Offender Registration Act.

The non-prosecution agreement between defendant and your Office would be of assistance to us in fashioning our response on appeal. I would appreciate it if you would send us a copy of that agreement, including the list of victims.

Please let me know if you need any further information in order to make this material available. I appreciate your assistance, and courtesy, in this matter.
