That sounds so good, I think a hostile question answered well can be much more impressive and memorable than all friendly ones. We're behind you all the way! Fingers crossed. Keep us posted! K

Subject: Magistrate Interview

Hi Bob, Kathy, and Amy – I had my interview with the committee this afternoon, and it seemed to go pretty well (knock wood). Only one hostile question, and I think I answered the question satisfactorily. No questions about Epstein at all.

Thank you so much for all of the well-wishes and good thoughts!

They are finishing up the interviews on Saturday and everyone thinks we will have an answer on whom they are sending through to the District Judges on Saturday night or Sunday.

Fingers crossed for a little while longer, please.
