Stop by the IT dept. I'll be conducting training, but you may be able to catch me on a break. If not, Jacquie will also be around.

Have a good weekend.

[REDACTED] - I am going to be in Miami on Tuesday. Can we meet then to go through how I search for the saved emails and memos on the Epstein thing?

Ricky and I will be at the Miami USAO the week of January 10th. We will have limited access to email; however, we will be checking them periodically. If you require immediate assistance with Computer, ALS, Graphics support or VTC scheduling, please contact Lourdes at [REDACTED]

Thanks and wish us luck!
