H [REDACTED] - I have attached the two signed documents for your files. I have a series of large stored e-mail backup files but when I tried to access some of them a few months ago when this first started heating back up, they were empty. I mentioned it to Ricky Vidarte but then I got busy with something else. Some of those items were also pdf'd and burned to CD or put on the main server, so all may not be lost, but IT may have to do some digging.

When I sent you the bunch of names earlier I forgot to include the following:

Myesha Braden (attorney at CEOS in DC)

Gerald Lefcourt (counsel for Epstein)

[REDACTED] (victim coordinator at FBI in West Palm Beach)

Thank you.
