

Subject: Emails in possession of Cassell and Edwards

Date: Thu, 28 Oct 2010 20:03:21 +0000

Importance: Normal

 – You had asked earlier about the emails that Cassell and Edwards have. Before Epstein’s attorneys produced them to Cassell and Edwards, they gave some items to me for review. I don’t know if it is the complete production, but I still have those items electronically. They are very large. Do you want me to send them to one of your assistants to avoid clogging your email boxes? It is several emails with large pdfs attached.
