Yes, I was aware. The Judge was going to allow him to travel to New York to meet with attorneys on his civil lawsuits. I wanted restrictions and got them.

Hi [REDACTED] – This was just sent to me by someone in my office. In light of other instances where Mr. Epstein's counsel has falsely represented that something was agreed to, I just wanted to check with you to make certain that you were aware of, and joined in, the motion. Can you let me know?

Thank you. (And Congratulations on your promotion!)
