Not totally sure on his first release date! Defn'te on the early release due to work release good behavior! I believe it was the female case agent that he was assigned while incarcerated!! I will research on Mon!

Subject: Question re Epstein stuff

[REDACTED] Do you remember the name of the person whom you spoke with at the Sheriff's Office about calculating JE's good time? I recall that he was supposed to be released in November 2009, but earned additional "good time" while on work release, which resulted in him getting out in July. Is that correct?
