Hey, guess who is at it again. Now he is thinking of filing a motion to 1) early terminate his probation/community control, or 2) modify it to straight probation so he can move to New York. We are not agreeing to either but I also wanted your input/position. Thanks!!!

Hi Barbara – This was just sent to me by someone in my office. In light of other instances where Mr. Epstein's counsel has falsely represented that something was agreed to, I just wanted to check with you to make certain that you were aware of, and joined in, the motion. Can you let me know?

Thank you. (And Congratulations on your promotion!)
