Hey, I never heard back from you on a Jeffrey Epstein email I sent a couple of weeks ago. I need to update my boss on what position you have on Epstein early terminating his probation. We, of course, are objecting. Please let me know. Thanks!!!!

I also wanted to congratulate [REDACTED] on his victory in convicting [REDACTED] at trial. As many of you know [REDACTED] and his brothers have been trying to intimidate people inside and outside of the jail and to create the appearance that they have more power than the law enforcement community. Each victory along the way is a means to show that the gangs have not taken over the justice system, and that we are united in keeping our community safe, so that everyday people can enjoy a life free from fear.

So, congratulations to [REDACTED] for a job very well done!
