Hi [REDACTED] – Judge Marra has set a hearing on the victims' suit against the office for August 12th at 2:00. If you can attend, I would really appreciate it.

On the magistrate judge matter, I have heard that there were a lot more applications than expected, so it is going to be a tough row to hoe.

On a happier note, did you go on your cruise and did you have a fabulous time?

I hope all is well,
