<<Response re Motn to Unseal final.wpd>> Hi [REDACTED]

Here is the Response to the Motion to Unseal. My one question for you is the highlighted language at the top of page 2. Please feel free to take it out if you don't like it.

I am having trouble with the redactions, but I think I finally have a system worked out. Obviously I will need to file the stuff tomorrow morning, since 5:00 has passed me by. Do you think I need to send the exhibits to Epstein's folks? I don't think the Court has ruled on the Motions to Intervene yet.

I am going to finish the other Response right now, then go back to the redaction project.

The message is ready to be sent with the following file or link attachments:
