Would you be willing to extend us a small favor? It would be helpful if we had a Word / Wordperfect version (or native PDF version) of your two privilege logs, so that we can "cut and paste" responses etc. Would you be willing to provide that to us?

Thanks in advance for any help you are willing to extend.

Please see attached information about the victims' requests for production. If this allows the Government to provide us any more information, please let us know promptly.

Thanks for your help.
