Hi Jason,

Long time, no talk. I hope all has been well for you and yours!! I am now back in the USA, not too many people know about that and I'd like to keep it that way as my case against Jeffrey Epstein has intensified!! I am here to get this BS non- prosecution agreement thrown out and speaking w Judge Paul Cassal he suggested trying to get ahold of any photos and/or video recordings released by the FBI to assist our case further in proving how much pedophilia occurred by Jeffrey and the many other monsters he obliged w underage girls. If this is a possibility please let me know so I can give you Brad Edwards(my attorney) his contact details. Many thanks for your time and I hope we should meet again.

Kindest Regards,
