I will... although I have a vague recollection about speaking to someone about this same exact issue referring them to OPA and her pushing back and wanting to know WHY we could not answer. I bet it's this same woman. I'll ask [REDACTED] to call and ask her for her email address 😊

All is well! I'm staying through March. Ideally, would want it to be when [REDACTED] finished off his school year but 6 months is a LONG time! Thank you for asking!

Will you contact her for me? I just don't want her to think I ignored her call.

I hope that all is well with you. Are you staying until the end of the school year and then joining [REDACTED]?

Thank you, Marie. We don't comment on extradition process and always refer them to OPA.

Hi [REDACTED] – I have been out of the office and just checked voicemail. There was a message from Megan Omatz (sp?) who was asking for “guidance” on the process for extraditing fugitives back to the US from Cuba. Her number is 954-356-4518.

Perhaps you want to put her in touch with OIA? I have no special expertise in this area.

Thanks.
