To Whom It May Concern,

I'm a producer for GMA and ABC News. We are writing for comment regarding the recent motion by attorneys for Jane Doe's 3 and 4 to be added to in the suit against the US Government relating to a plea deal made by the US Government with Jeffrey Epstein in 2008. I'm sure you're aware of the motions I'm speaking out so probably no need to go into greater detail.

If you could get back to me tonight it would be greatly appreciated so that your comment may be included in a piece that will air on GMA tomorrow morning.

Thanks so much and apologies for reaching out on Sunday night.

Best,
