Hey [REDACTED]

Thanks for your non-opposition on the extension of time – much appreciated.

Quick question: You mentioned last week that you were planning to file a declaration from an FBI agent regarding contact with Jane Doe No. [REDACTED]. Do you know when you'll be filing that? We're trying to coordinate things on our end for a February 6 filing on all this, and are wondering whether the declaration will come in before February 6.

Thanks for any information you can provide on this – just trying to get a sense of the timing so that we can make plans at our end.

Hi

We're working on our reply to the Government's Opposition to JD3 and 4's Motion for Joinder. Along with my students, we are researching some of the complicated statute of limitations and other issues. Since you filed on January 20, we think our reply is due tomorrow, Jan. 28. We're hoping that the Government would not oppose a motion for an additional nine days to reply, making our reply due Friday, Feb. 6.

On February 6, we also anticipate coupling our reply brief with a motion to amend under Rule 15 and so forth – we'll be back in touch with you on those issues. That is one other reason for the extra time.

We are hoping you will agree to this request for extra time – thanks in advance for your response.
