What is the call-in number and time for the call? I don't have it on my calendar yet but would like to get it on there before I have a conflict. If it has not been set, then 10 am works for me.

On another note, if you want to present any information pertaining to a criminal prosecution of Jeffrey Epstein, please keep in mind that the Southern District of Florida has been recused. While we can take information from you, and pass it to the appropriate individuals, our office has no decision-making authority in such a matter. Thanks.
