Thank you for your efforts. Your requested extension to provide responsive documents by January 31, 2017 is fine. Have a Happy holiday break and we will talk again in January.

Subject: FBI E-mail Update

Brad and Paul,

The FBI has identified emails from agents working on the Epstein investigation, which may be responsive to your fourth request for production. We used very broad search terms so it is likely many of the emails will not be responsive to your specific requests. The FBI is making arrangements for me to search and review and emails at the FBI Miami field office. Realistically, since we are approaching the Christmas holiday period, this review will not be completed before the end of 2016. I plan to be on annual leave from December 20 through December 30, 2016.

May we have an extension until January 31, 2017? Thanks.
