I looked through 27 boxes and finally found the stuff. Do you want me to send you the originals or copies? It is about ½ a box.

The information contains the identification of numerous minor sex trafficking victims so please advise how it will be reviewed and stored.

Good afternoon,

As per your request, the requesting party is a news site by the name of MuckRock. The case that you prosecuted in 2010, appears complete in LIONS but not in the close file room. Do you have this file or know where it may be? I will need all of your e-records and e-mails related to Mr. Rodriguez' case. I do not need any of the grand jury transcripts. I will be contacting the 8th floor about the other case that was prosecuted by [REDACTED]

Your email helped me tremendously in identifying the exact Alfredo Rodriguez.

Thank you again!

Thank you for this information, [REDACTED]

I'm copying FOIA Paralegal Francys Marcenaros and asking that she contact you for the purpose of identifying which responsive records are in your possession and so that she may inform you as to the identity of the FOIA requestor.

[REDACTED] – The Alfredo Rodriguez case that I prosecuted was 10-80015-Cr-Marra. It was opened in LIONS as Operation Stolen Globe.

I have a recollection that Mr. Rodriguez was also prosecuted by the Miami office ([REDACTED]) on a firearms charge.

The case involving victims of the Jeffrey Epstein investigation is Jane Doe #1 and Jane Doe #2 [REDACTED] United States, 08-80736-Civ-Marra. [REDACTED]

Can you advise who the requesting party is on the FOIA request?

Thank you.
