We recently got information that I doubt you are personally aware of. We began drafting some discovery requests on it yesterday. I wanted to give you a heads up. As soon as I finish it we will get it to you.

Your attachment looked fine to me. You can go ahead and file it.

I hope you are doing well. Let's talk soon. I am out of trial and trying to catch up on other things.

Hi guys – I never got a response on filing this. Can you advise if it is okay?

Also, if we think that settlement is still a possibility, we should try to move on that sooner rather than later, since we are telling the judge that we are working on it.

Thanks.
