Welcome back. Do you have time tomorrow to chat with Ed and me on the pending discovery requests from Cassell? I reached out to the FBI on Monday to see whether it retains emails from 2006-2007, and how difficult it will be to access them.

Just wanted to touch base and see how things are coming collecting the information that we talked about on the phone on September 2, if I recall correctly? As mentioned, I hopefully gave you precise enough information that finding the materials would not have been time consuming on your end. Just wanted to see if you had any more questions about that. Brad and I can assist if needed.

I have a deposition Friday afternoon but don't need to be on the call if Paul is free.

Hi Brad and Paul – Can we do a conference call to talk about the schedule? I am totally booked tomorrow and [REDACTED] as a mediation on Friday morning, so I was hoping we could chat at 3:00 on Friday.

Please let me know if that works and I will set up a conference line.

Thanks.
