Still need to get approval of the letter. It's been further revised, but still not approved. Attached is a copy. Let me know if we need to change anything from your perspective.

[REDACTED] and I have also been trying to speak to ADAG Iris Lam. We were set to talk this afternoon, but that fell through. Next attempt is tomorrow morning.

Subject: Nagging about Jane Doe Case

[REDACTED] – I need to send everything tomorrow because I am trying to meet with [REDACTED] on Monday and our update to the judge is due a week from tomorrow. I still need:

- (1) Name/title of DOJ official
- (2) Revised letter
- (3) Stipulation for dismissal

Thank you!
