I am not available on July 5, July 29, August 1-5, and August 17-23. July 15, 20, and 22 are not great, but I can make those days work if necessary. Willy is also out of town during the last week in July, so that is probably a bad week for the mediation since we might need his approval on anything new or different.

We have been pressing DC, but DC is DC. We'll continue pressing, but they will continue to be DC.

Subject: Telephone conf with Brad Edwards

Hi ██ and ██████ – I had a good call with Brad. He was on the road so he hasn't read the letter yet. He asked us to move the settlement conf date because he needs to time to go over things with Courtney, but he doesn't want to put things off too far keeping in mind that Courtney is sitting in lock-up. When he reaches his destination, he is going to send me dates.

I already notified the court that the date will be changed. They just asked that we send a motion with multiple dates so they can find one that works.

With that in mind, can you send me your availability during July? I know you sent dates before, but your info might have changed.

And, can we keep pressing DC? Brad would really like to sit down with Courtney with all of our proposals done. If she signs off on everything, we will not need a second mediation session.

He has:
   (1) The settlement agreement with a blank space for the title of the recipient of the meeting
   (2) The letter
   (3) The proposed stip for dismissal and order

I have received his list of victims and told him we need final versions of the proposed amendments to the DOJ Guidelines and USAM to include as appendices.
