Importance: Normal

Sorry to hear about you mom. Have a safe trip, and I hope she improves quickly.

Yipes! No rush. I forgot to include something and I want to fix the formatting, so I am going to re-send later this afternoon. It isn't due until a week from today.

Btw, my Mom isn't well so I have to go back up to Minnesota. I fly up on Saturday and don't know how long I will be there. I will be working when not dealing with mom, so feel free to call or email to set up a time to talk.

Thank you and take care of yourself.

Marie,

I had a colonoscopy this morning and am out of the office for the day. Can I get back to you on this on Monday, or do we have a more pressing need or deadline that I forgot?

Hi [REDACTED] and [REDACTED] – Here is my draft. I don't think we were given a page limit, but [REDACTED] please remind me if I am wrong. Also, I spotted a typo as I was saving so I apologize that I did not spell check. I will do that first thing tomorrow.

I am cc'ing [REDACTED] in case there are concerns about the position we are taking and so that she knows I have been working my fingers to the bone!

I am still waiting for petitioners' counsel to file their motion for a writ and we are supposed to have the demand list tomorrow.
