Subject: Follow-up re call with Brad Edwards

Importance: Normal

[REDACTED] The call went well. I previewed that the letter will not include all of the items that Paul Cassen would like but I think [REDACTED] will like the letter. I told Brad that I would send the letter by the end of this week and he and I are going to meet in person once he receives the letter. I also conveyed our position on the motion to unseal.

These are the outstanding items that I need from you:

- (1) A version of the letter that I can share [REDACTED]
- (2) The name or title of the official who will meet with Petitioners' counsel [REDACTED]
- (3) The stipulation of dismissal [REDACTED]

I also asked that their motion to change the date just be a straightforward request, not the usual Cassell rant.

Thank you both!
