Hi [REDACTED] and [REDACTED] – Thank you for these edits. Being able to name a particular USAO that will maintain the file will make this much clearer. We can discuss your other notes next week. By the way, do we want to include anything requiring them to return or destroy the discovery that we provided?

Hi [REDACTED] and [REDACTED] – Please take a look at this and give me your thoughts, especially as to paragraphs 6 and 8. I am still waiting to hear back from Brad regarding his intended subject matter and length of the proposed hearing, but I thought I would at least include some proposed language for your review now.

Thank you very much.
