Importance: Normal

Hi Brad – That sounds fine. I am rearranging my trip to bring my Mom back from Minnesota for this, so if there is anything that I can do to get this done before Friday, let me know.

Ed is unavailable on the 5th and I don't know about Dexter.

I will look at everything today and give you my preliminary thoughts. I am to speak with [REDACTED] tomorrow. The 5th is bad for everyone but if that is the only date then I will move things around so that I can be there. It will at least give me a chance to meet with [REDACTED] in person and know whether we are getting close to something she finds acceptable.

Hi Brad – I am sending you our complete packet, that is:

Proposed Settlement Agreement, including title of DOJ official for meeting
Proposed Stipulation of Dismissal and Order accepting it (this would be Appendix "B")
Proposed letter (this would be Appendix "C")

Sealed Appendix A is the victim list from you with my one addition.

I need from you:

Appendix D (proposed amendments to the "Attorney General Guidelines for Victim and Witness Assistance" and to the procedures for filing complaints with the Justice Department's Crime Victims' Rights Ombudsman)

Appendix E (proposed amendments to the U.S. Attorney's Manual)

I am going to respond to Paul's email. July 5th is bad for us, too, but I don't think the judge is going to change it. Is there any way for us to get this finished this week so that we don't need another settlement conference? Then we can just set up the hearing with Judge Marra as soon as possible so that [REDACTED] can do it while she is still here.

I will be working all weekend, so just email me whenever you want to talk.

Thanks.
