10:45 again? Or is there a better time? I just have to prep everything for mag court, which starts at 10:00, so before that is bad.

Hi brad – I have to run to another meeting. Can we re-set our call for a specific time this afternoon or some time tomorrow morning?

Hi Brad – Here is a revised draft of the settlement agreement. I am waiting for the title of the person in the DAG's office who is part of the meeting. And I am waiting for revisions to the letter.

I am on intake duty tomorrow and, because the Orlando shooter was from Fort Pierce, tomorrow is going to be very crazy. I also would like to do our sit-down when I have a letter to discuss. But we need to talk about this agreement. So, let's plan to talk at 10:45 tomorrow, if that is okay.

Have a good night.
