Thank you so much [REDACTED]. Unfortunately, I think I'm at the mercy of FPL, both at home and the office.

Glad your mom's home is back up and running.

I'm hoping to be back to normal next week....

Her senior citizen building has been without power since the storm and it was just restored late last night. If I can help in any way let me know. I was planning to go back to work tomorrow, but an excuse not to go back might be welcome.
