Hi Brad – These are all questions for the FBI, not for me. I doubt that he would be allowed to testify without you going through the CFR procedures.

██████████ is in the General Counsel's office for the FBI. You should probably reach out to him. Here is his phone number: ██████████

With a subpoena can Jason testify? I'm trying to figure out how to get this done with limited time. His testimony would be limited to the collection of photos and evidence during his meeting in Australia.

Have been located – meaning they have been traced to the closed file room at the FBI in Miami. If you get a Court Order directed to the FBI in Miami, someone will dig them out. I think the Court Order would need to direct them about how they would be delivered to the Court.
