Here is a copy of the most up-to-date addresses. [REDACTED] told me that [REDACTED] was telling her that [REDACTED] has been talking to some of the victims that she is counseling and that he is encouraging them that 18 months is not long enough of a sentence for Epstein. I am not sure who she is referring to but that [REDACTED] is having to provide additional counseling. If you have any questions regarding this you might want to speak directly to [REDACTED]

Talk to you soon.
