Dear [REDACTED]

I have attached revised versions of 18 USC 1591(a)(1) and 18 USC 2423(d), which incorporate all of Judge Land's corrections. Judge Land didn't have any comments or corrections on the others. I also have attached a proposed paragraph to add to the Preface to the Instructions, in accordance with Judge Land's comments. The statistics contained therein were taken from the annual reports of the Administrative Office of U.S. Courts. Please feel free to edit or discard entirely, as you see fit.

Please let me know if you need anything else.
