[REDACTED] and [REDACTED] – You had asked earlier about the emails that [REDACTED] and [REDACTED] have. Before Epstein's attorneys produced them to [REDACTED] and [REDACTED] they gave some items to me for review. I don't know if it is the complete production, but I still have those items electronically. They are very large. Do you want me to send them to one of your assistants to avoid clogging your email boxes? It is several emails with large pdfs attached.
