I can do the 4<sup>th</sup>, 8<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup>, and 13<sup>th</sup>. I have set aside the 5<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> to label all the exhibits in Op Farmhouse Cantina but I can do those days if nothing else works. Let me know and I will check with [REDACTED]

As to point 3, I haven't even given Brad the "original victim list," much less a list of anyone else. He is just fishing.

So, Professor Dershowitz wasn't looking for a purely social visit. What a shock.

Met with Alan Dershowitz:

1. He asked for us to terminate his community control/supervision early. I said no. I said that we would also object to any attempt to transfer his supervision to Jeff's Island.
2. He wants assurance that the Government won't indict him for a "minor" breach. He gave a few examples of a "minor" breach: 1) Josefsberg wants \$2 million as a fee – they think it is unreasonable; and 2) Epstein wants to swim in his pool. I said we weren't going to modify the deferred prosecution agreement; however, I said that the Office – through the chain of command - would evaluate any alleged breach but we're not trying to play "gotcha" with him.
3. He claims "but he could be wrong" that [REDACTED] provided Brad Edwards with names of "victims" who were not on the original victim list. I said that was ridiculous.
4. Since I refused to agree to his requests, he asked to meet with us - [REDACTED], [REDACTED], [REDACTED] and me - to try to reduce Jeffrey's anxiety level that we looking for ways to breach the agreement . I said we could meet after the New Year.

Let me know if you have any scheduling conflicts for the first or second week of January.

Thanks,
