Tell me about it! Are you there all day? I have to meet with some victims up there at 3:30. Do you want to call Roy with me afterwards?

Hi all – I have attached a letter I just received from Roy Black. The odd thing about this is that it is addressed directly to me. Roy (and Epstein's team) always sends everything to [REDACTED] or someone far more important than me.

I haven't seen the Complaint against the Rothstein firm yet, but I did have a voicemail from Brad Edwards this morning, which I haven't responded to.

Can someone fill me in on any developments? When I receive the criminal complaint I will send the copies out tomorrow.
