Hi [REDACTED]n – The First Assistant ([REDACTED]), the Criminal Chief ([REDACTED]), the head of the Child Exploitation Section ([REDACTED]), and I are meeting on Thursday, December 17<sup>th</sup> at 10:30 at the USAO in Miami to discuss Op Stolen Globe and how we will handle a potential new investigation against Jeffrey Epstein or others. We would like to have FBI present for the meeting. I don't know if you want the SAC to attend, or your ASAC, or whomever, but certainly whichever agent(s) would be potentially handling such an investigation should be there.

I am still in South Carolina and then will be in Colombia, back in West Palm Beach on the 9<sup>th</sup>. Please just let me know whom to expect so I can let the bosses know.

Thank you.
