Hi [REDACTED] Sorry I didn't get to read this before I left. Will you be around Tuesday morning to present to the magistrate judge?

Here's the additions and corrections. I know you have a busy schedule. Just let us know what else you'd like us to do. I'm here tomorrow-Tues for the holiday and I think [REDACTED] said he was on leave tomorrow through next week (not 100% sure on that).

Thanks and have a good day,
