I'm sure Judge Marra is expecting us to file something soon. As you know, we have been prepared to file our pleading and do not want the Court to think that any delay is ours. We are also still willing to work with you on this matter; however, after the last word from you guys, we are not sure where we stand and with whom we are supposed to deal. [REDACTED] has been asking for the status, and Brad and I would like to be able to tell her something soon. Any information would be greatly appreciated. Thanks for your help! Paul
