Subject: RE: Motion to Intervene - extension of time

Hi [REDACTED]

We have just filed a motion for extension of time to May 2 to respond to the 85 pages of government pleadings in the Epstein matter.

To coordinate all our filings, we are planning on filing for an extension of time to May 2 to respond to your motion to intervene as well. I have final exams, among other things, coming up.

I am writing to see what your position is on our motion to extent time to May 2 to respond to your motion to intervene. Thanks in advance for your cooperation.

[REDACTED] - I'm not sure whether we should be checking with you on this, but please let me know if you have any concerns.

Subject: Motion to Intervene

Dear Counsel,

The motion to intervene and supporting memo will be filed April 7. I miscalculated the time and noted in our Notice of Objection that the pleading was due today, but it is really due the 7th. I also wanted you to know that I intend to call Judge Marra's chambers tomorrow to convey this information so that the Judge knows that the motion to intervene is forthcoming and will be filed by April 7th.
