Just FYI. I called him back. Told him no comment. He made a point of taking my name. I get the feeling he is going to make some kind of issue of the fact that we made no comment. I asked him off the record why he was inquiring to our office when Epstein was prosecuted by the state, and is in state custody, and he said he was aware, and gave no answer. That was the end of the conversation.

Hi [REDACTED] – I understand that you are standing in for [REDACTED]. [REDACTED] asked me to pass this along. As far as I know, our Office doesn't intend to say anything about the matter, but you may want to confer with [REDACTED] or [REDACTED] about that.

Thank you.

[REDACTED]

I received a phone message from Victor Blackwell, WPBF TV Channel 25, requesting an on camera interview regarding Jeffrey Epstein's impending release on Wednesday. Blackwell's number is (561) 514-7546. He wants to do the interview on Monday.

I recall [REDACTED] is on leave currently. Who is handling media inquiries on the Epstein matter? Thanks.
