Thank you again for taking the time to talk with us.

In light of your investigation showing that Epstein victimized underage girls in EDNY as well as Florida, we're passing on what you told us to [REDACTED], an AUSA in this office who specializes in, among other things, offenses against children. You may want to send her your draft indictment. Epstein's teams of lawyers won't be able to subvert the system up here.

Sounds like you and the agents on your case did great work. I'm hopeful it won't for nothing.
