Those documents don't look familiar. Seems like the majority of the flight info we received came from Visoski not Rodgers. I'm out of the country until 04/24/2010 but I can check our file when I return.

Hi [REDACTED] and [REDACTED] – These were attached as an exhibit to one of the pleadings in the Epstein civil cases today. I don't remember ever seeing them before. Did Rodgers turn these over to us in the criminal case?

<<DE145-1 Exhibit.pdf>>

And [REDACTED] can you send me the FOIA request when you have a chance?

Thanks.
