Hi Kathy – Here is the signed addendum. I looked through my electronic files but couldn't find that original NPA with my signature on it. The original document is up in WPB and I won't be up there until Friday. Can you wait until then?

As to question 2, I believe that [REDACTED] was in Florida (Miami), I was in Florida (WPB), and the others were in New York, but I don't know that for certain. I was the last to sign.

You are welcome. Have a good night.

Hi [REDACTED] I know you are busy and hate to bother you, but I have a question and a request.

- 1) Request—Can you provide me with ( pdf) copies of the signature pages of the NPA that contain your signature or that of anyone else on behalf of the United States Attorney. We have “umpteen” copies of the NPA, but cannot find any that contain that signature to either the Non-Prosecution Agreement or the Addendum.
- 2) Question—Where were the various signers of the NPA when they signed it, i.e., West Palm Beach, Miami, etc., and who and where was the last signer. (I am assuming that would have been you)?

I hope all is well. Thank you as always, Kathy
