Subject: RE: Private & Confidential-- Epstein

Date: Tue, 18 Aug 2009 18:52:17 +0000

Importance: Normal

There are no documents that were filed in connection with this case except some sealed matters. We deferred prosecution in favor of the state's prosecution of Epstein. There is nothing that we can say about the investigation except that it remains open. Ms. Sarnoff also has reached out to the FBI in DC, and they intend to say simply that the matter remains open.

HI [REDACTED] - see email below. if these victims were not in the indictment, I don't see how we can talk about it. In fact, since this was a plea, I doubt there is much we can say. Can you send me copies of the docs that were filed (Ind, plea, proffer, etc.) so I can forward those to the reporter? Let me know what you think.

Dear Ms. [REDACTED]
Hello. I would like to speak with Ms. Villefranche pertaining to the JEpstein case. I am writing a book for Random House and producing a documentary (my husband's family founded NBC television) and it pertains to child trafficking in America and those who solicit trafficked children for prostitution. I was informed that 2 of Mr Epstein's victims who were not named in the original indictment were trafficked children. Thank you for your time and attention to this matter.
Sincerely,

Conchita Sarnoff
